Organizer **RX** In the business of
building businesses

Event

BIOPLUS-INTERPHEX KOREA 2026 (BIX 2026)

Dates

October 28 – 30, 2026

Venue

**The Platz(2F), Hall C(3F), Studio 159(2F),
Conference Rooms #317-318(3F) at Coex**

Scale

**300 exhibitors and 600 booths
30 conference sessions featuring 90 speakers**

Host-Organizer

[Hosted by] **KoreaBIO**

[Organized by] **RX Korea**

Programs

**Exhibition, Conference, Partnering,
Open Stage, Reception,
and Docent Tours**

Three days to discover technologies, stay ahead of industry trends, and meet your next partner!

You are invited to **BIOPLUS-INTERPHEX KOREA 2026 (BIX 2026)**, where the latest developments in the biopharmaceutical industry lead to new business opportunities.

Amid rapidly advancing technologies and an evolving investment landscape, the biopharmaceutical industry is moving toward new collaborations and business opportunities.

BIX 2026 brings together the companies, technologies, and emerging trends shaping the industry today.

Explore technologies and solutions ready for real-world adoption and collaboration, from R&D to manufacturing, and gain insights into future industry directions and strategies from global leaders and experts.

Meet leading Korean and international companies, AI solution providers, growing biotech companies, and startups. Experience BIX, where new connections and conversations lead to tangible business outcomes.

6 WAYS TO EXPERIENCE BIX

01 EXHIBITION

Explore products and solutions presented by 300 exhibitors, covering the entire value chain from R&D and manufacturing processes to digital healthcare.

Exhibition Categories

- Manufacturing & Facilities (CMO/CDMO)
- Laboratory Equipment & Analytics
- Cold Chain Logistics & Packaging
- Digital Healthcare
- Biotechnology
- Raw Materials for Pharmaceuticals, Food, and Cosmetics
- Clinical, Nonclinical, and Consulting Services
- AI & Automation Solutions

02 CONFERENCE

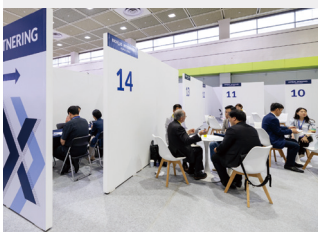

Explore major issues and expert insights across the biopharmaceutical industry, including technology, markets, investment, and policy.

Conference Session Types

- **Keynote Sessions:** World-renowned experts share their latest research achievements and perspectives on the future of the industry.
- **Technical Sessions:** In-depth discussions on key topics across specialized industry fields.
- **Insight Sessions:** Leading Korean and international companies introduce their businesses, products, and technologies.

03 PARTNERING

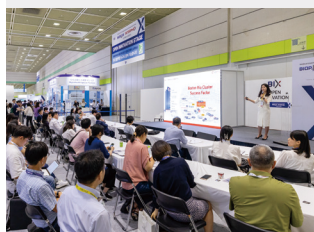

Meet one-on-one with potential partners at the Partnering Lounge and discuss specific opportunities for collaboration.

Partnering Opportunities

- Joint Research
- Technology Transfer and In-Licensing
- Marketing Partnerships
- Manufacturing Partnerships
- Investment and Fundraising
- Joint Ventures and More

04 OPEN STAGE SESSION

Discover new products and technologies from emerging biotech companies and startups from Korea and around the world.

Session Types

- Investment & Fundraising
- Latest Research Highlights
- New Product & Technology Showcases

05 RECEPTION

Build new connections at an exclusive reception bringing together C-level executives, international buyers, and key industry stakeholders.

06 DOCENT TOUR

Visit booths in selected fields with an industry expert and gain a clear understanding of featured products and technologies.

EXHIBITOR

ALL about Global Bio-pharmaceutical Industry!

Discover and connect with over 300 leading companies showcasing the entire chain of the industry, including R&D, manufacturing, logistics, packing, digital healthcare, and advanced bio technologies

📍 Hall C, COEX (3F)

Exhibit Profile

- Manufacturing
- Lab Equipment & Analysis
- Digital Healthcare
- Cold-chain Packaging/ Logistics
- Biotechnology
- Advanced Bio
- Services (CRO/Compliance/Consulting)
- Hospital, University, Government Related Agencies
- Raw Materials(Medical/Food/Cosmetic)

Special Pavilion

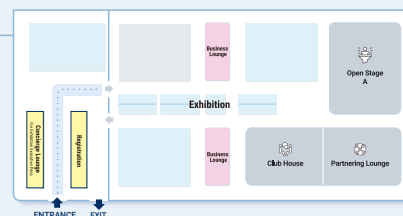

Discover industry-leading solutions for the global market at the BIX Special Pavilion, showcasing cutting-edge technologies and trends shaping the future of bio and pharmaceuticals.

Hall C (3F)

The Most Effective Way to Experience BIX: Secure Your EE PASS

Maximize your interactions with top-tier companies and enjoy exclusive benefits within the exhibition hall by obtaining the EE(Exhibition Executive) Pass.

Available in limited quantities, so hurry and secure your pass if you're a company executive!

[EE Pass privilege]
Exclusive
Concierge Service

1. EE Designated Fast-Track Registration
2. Clubhouse Access
3. Baggage Storage and Concierge Services
4. Half-day Parking Support

Exhibitor List

Explore BIX's online directory to discover the exhibitors list. It's updated daily to ensure you have the latest information

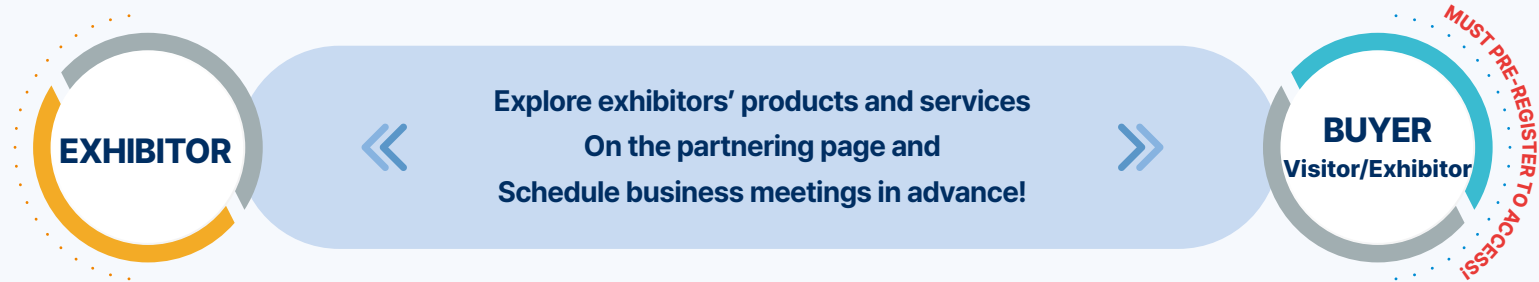

PARTNERING

Unlock Business Expansion Opportunities!

Engage in partnering with bio-pharma companies, healthcare organizations, universities, research institutions, ventures, startups, and VCs eager for investment. Apply for partnering now and create groundbreaking networking opportunities!

📍 Partnering Lounge, Hall C, COEX (3F), The Platz(2F)

Partnering Type

- Joint Research
- Marketing partnership
- Funding & Investment
- In & Out Licensing
- Production Partnership
- Joint Ventures

Partnering Schedule

Partnering is held through pre-arranged matching between exhibitors and visitors. Apply for, accept, or decline requests with your preferred partners.

OPEN STAGE

Showcase with Top Bio-Pharma Innovators!

Experience groundbreaking idea and networking to develop your business in BIX2026

CONFERENCE

A Global Knowledge Sharing Conference with Renowned Scholars and Experts!

BIX 2026 Conference Theme
"Real Innovation Glows in the Dark"

Attend 30 sessions with over 90 influential speakers.
Get the latest insights on industry trends and expert opinions firsthand.

COEX conference Room #317-318(3F), The Platz(2F), Studio 159(2F)

Opening Ceremony

Oct. 28 (Wed), 09:30 – 10:00
Studio 159 (2F)

Global bio and pharmaceutical leaders gather at the BIX Opening Ceremony.
Experience the showcase of pioneering companies sharing the future!

Keynote Session 1

Oct. 28 (Wed), 10:00 – 10:30
Studio 159 (2F)

Human Stem Cells:
Transforming the Fight Against
Nervous System Disease

Dr. Sally Temple
Co-Founder & CSO, Luxa
Biotechnology LLC /
Neural Stem Cell Institute

Keynote Session 2

Oct. 29 (Thu), 10:00 – 11:00
Studio 159 (2F)

When Big Pharma Comes
Knocking – What happens
inside the Boardrooms of the
world's most innovative biotech
companies when Big Pharma
makes an unsolicited bid?

Speaker Joining
Remotely

Mr. Stuart M. Cable
Global Chair of M&A,
Vice Chairman, Goodwin
Procter LLP

Featured Session

Oct. 30 (Fri), 11:50 – 12:50
The Platz (2F)

The Future of Accessible Human–Technology Interaction: Bringing Brain–
Computer Interfaces into Everyday Life
BCI의 오늘을 만나다: 뇌-컴퓨터 인터페이스 기술 현장 시연

Dr. Dion Koley
Founder & CEO, Possibility
Neurotechnologies
